Continued Life Long Faith Formation

Divine Intimacy

JAN. 9TH - DEC. 12TH

“Divine Intimacy” is an active contemplative formation that responds to the urgings of the Popes to go deeper, to commune in intimacy with God, to listen, to receive in the silence and to respond, for the proclamation of the Gospel in a world that is distancing itself from God. The formation’s goal is to build the interior life. The Popes have called this deeper step: “New Evangelization”. Formation is an absolute necessity because true evangelization comes from one’s own intimacy with God; the more one knows Christ, the better one can speak of Him. Being fully alive is to know one self and to know God, in intimacy.

During 2013, we will continue to go deeper by covering understanding of all forms of prayer including Theresa of Avila ‘Seven Mansions of the interior castle’, Intercessory Prayer with Spiritual Warfare, St. Ignatius of Loyola Spiritual Exercises, The Seven Capital sins, St. John of the Cross Dark Nights, Discernment of God’s voice in a practical and direct way, etc. etc. If necessary, we will go through 2014 with these practices.

The sessions will be taught on every other Wednesday’s nights, 7:00 p. m. to 9:30 p. m. There will be two groups, a beginners group and an advance group. The Advance group will continue starting Jan. 9th and will initiate group sharing with the goal of listening to God in other’s walk with Him, developing trust and forming community. The beginner’s group will start on Jan. 16. Dates of meetings will be provided for each group. All meetings will be in room 210.

To start the New Year in intimacy with God, everyone interested may attend the Contemplative Retreat at Villa de Mattel Jan. 5th. Read More Online @ www.cccgh.com

Sign up date for all groups: Dec. 16, after Mass.
